NATUROPATHIC PRINCIPLES

Healing Power of Nature. We utilize medicinal plants and trust the body's innate wisdom in restoring its natural function and health.

First Do No Harm. We utilize the most natural and least toxic therapies first.

Identify and Treat the Cause. We treat the underlying cause of your health issues.

Doctor as Teacher. We want to teach you how to achieve and maintain health.

Treat the Whole Person. We treat YOU not just a symptom or illness.

Prevention. We are experts in preventative medicine.

CHINESE MEDICINE & ACUPUNCTURE

Traditional Chinese Medicine (TCM) is based on the knowledge of over 6000 years as a system to restore the body back to balance. Our skilled practitioners use tongue and pulse diagnosis along with your individual history to determine underlying TCM imbalances in the body and help to correct them with Chinese herbs, cupping, acupuncture and electro acupuncture.

OUR SERVICES

We are a family oriented primary care setting providing integrative health care for the body and mind for you and your family. Our Naturopathic Physicians Primary Care Providers (PCP) are specialists in natural medicine, integrating the best of Western medicine with Natural Therapeutics such as Chinese medicine, acupuncture, homeopathy, nutrition, botanical medicine, and can prescribe traditional medications when needed to provide comprehensive medicine for all your health care needs. Treatments are tailored to each individual. We are here to listen carefully to your health concerns, review your medical history and work together to create health solutions that foster optimal health now and in the future.

OUR MISSION

Our mission is to provide the most comprehensive and effective health care, integrating the best of Western, Eastern, and Natural medicine in a safe and caring atmosphere. We provide individualized care that addresses the whole person, focuses on prevention, and assists you in achieving an optimal level of health.

We listen. We Care. We Change Lives™

We hope that we can help YOU reach your health care goals. We look forward to meeting you!
